

Task 5 IMS

Understanding of Asking the Right & Bigger Questions

**Deadline
(10 Days)**

(This page is only for captains)

BRAINSTORMING

- What do you know about Vertical & Horizontal Questions?
- What are the Right Questions and why do we need to ask the Right/Bigger Questions?
- Explain the Consequences of not asking the Right & BIGGER Questions...

Group Guidelines

Method

Actions Required

Step 1
Task
understanding
with TLs

Arrange Group Discussion, can be on whatsapp, zoom or any other platform.

Understand the task and help your fellow TLs to understand the topic.

Step 2
Strategise

Breakdown research areas around the topic. all TLs will submit their findings to their group Captain/group Coordinator.

Divide research topics and do a deep research on art of asking question. TLs should individually share their input as per their knowledge and understandings (In Google Form of TLs)

Step 3
Data
Collection

Group Coordinators/ Captain will Compile all research and summarize all the data of TLs.

Step 4
Submission

Submit the summarised answers on the given form. (community heads will provide the forms)

Report will be generated by the CHs (with the help of coordinators/Captains of their respective groups)
