ISLAMIC MESSAGING SYSTEM
IMS
TEAMLEADERS

We do not have nor are we creating any money pools or are we advising anyone to create money pools from IMS for any of our projects. We have not created a fund of any kind. No solicitation nor any money collection is allowed. Immediate expulsion and ban of that number will be done if anyone is found collecting money from IMS members. Sahil adeem has never asked for any donation of any kind from anyone nor does any IMS activity has ever taken place for collecting donations.

Please make sure to report any person collecting money on behalf of IMS or sahil adeem. If you want to donate money to Islamic causes please do not use IMS platforms for that. Since this opens the doors for multiple fraudulent platforms as well as illegal activities by people who can use IMS name for their own vested interests.
